Regional-level Kaigarika Adalat in September

Calling industries from Mysuru, Mandya, Chamarajanagar, Kodagu, Hassan, Chikmagalur, Udupi and Mangaluru to submit grievances

Murugesh Nirani

Mysuru, Aug. 29- The Department of Industry and Commerce, Government of Karnataka, is organising regional-level Kaigarika Adalat during the second week of September 2021 on the instructions of Murugesh Nirani, Minister for Medium and Large Industries.

The Adalat aims to redress the grievances of Industries and MSMEs which are pending from years/months in various Departments. Gunjan Krishna, Commissioner, Industrial Development and Director, Industries and Commerce, has appealed all Industries and MSMEs of Mysuru, Mandya, Chamarajanagar, Kodagu, Hassan, Chikmagalur, Udupi and Mangaluru districts to submit their grievances.

Micro Small and Medium Enterprises Council (MSME Council), Mysuru, has requested the entrepreneurs to submit their grievances in online application *(www.msmemysuru.com)* or to the concerned Joint Director of District Industries Centre.

For more details, contact Suresh Kumar Jain, General Secretary, MSME Council, on Mob:99864-44654 or e-mail: *msmehelpdesk20@gmail.com*

EDITOR'S BOTTOMLINE

During the 1980s, the Afghan-Pakistan border was converted into a springboard for the international heroin trade. The US State Department reported in 1986 that in tribal areas "there is no Police force. There are no Courts. There is no taxation. No weapon is illegal, hashish and opium are often on display." Soon, the region became the world's largest heroin producer. Today, Afghanistan has become the world's first true narco-State — a country where illicit drugs define political choices, dominate the economy, and determine the fate of foreign interventions.

After capturing Kabul in 1996, the Taliban encouraged local opium cultivation by offering Government protection to the export trade and also collecting much-needed taxes. The United Nations' opium surveys showed that during the Taliban's first three years in power, Afghanistan's opium crop accounted for 75 percent of world production. In a war-ravaged Afghanistan, opium fields were a blessing in disguise for the poor as its cultivation required nine times more labour than Afghanistan's staple crop, wheat. Thus, opium has been intricately woven into the fabric of conflict in Afghanistan. Being a distant decentralised resource, it became an essential part of the local economy, which was then controlled by a new class of warlords. Post 9/11, America only targeted the guerrillas and not the drugs, thus sowing the seeds for the revival of the Taliban.

NEWS SPARKLERS

12-year-old's swinging record attempt

New York: A New York boy is attempting to set a Guinness World Record by spending almost a day and one-half on a swing in his family's front yard. Sean Lewis, 12, of Rochester, got on the swing at 7 a.m. on Thursday and is aiming to swing for 34 hours, taking a 20-minute break every four hours to stretch, eat and use the restroom.

"When I put the rope swings up years ago, he just fell in love with them," father Matt Lewis told TV. "I think one day he was just thinking maybe there might be a record associated with it. And he looked it up and thought he could do it. So it's just a love of swinging."

Swiss cows airlifted off mountains

Switzerland: Cows in Switzerland have been airlifted to the bottom of their Alpine meadows in a bizarre spectacle. Around 10 of the animals were taken by helicopter off the ridges in the Klausenpass region in the country.

Using a mesh harness, the creatures were suspended by a length of cable below the chopper as they took to the skies. Waiting farmers used guide ropes to help bring the cows to land safely, before moving them into more conventional trailers.

HEALTH CAPSULE

Until the discovery of general anaesthesia in the middle of the 19th century, surgery was performed only as a last and desperate resort. Conscious and without pain relief, it was beset with unimaginable terror, unspeakable agony and considerable risk. But it wasn't only the patient who suffered. Surgeons too had to endure considerable anxiety and distress.

Mobile COVID vaccination campaign launched

Mysuru, Aug. 29- In yet another initiative concerning COVID-19 vaccination campaign, the Mysuru Child Development Centre in association with Child Fund International and HOPE organisation, has launched a mobile vaccination campaign.

DHO Dr. K.H. Prasad launched the initiative at a programme organised in the city recently. The campaign involves performance of street plays, distribution of pamphlets and public announcements.

Speaking on the occasion, Dr. Prasad sought the co-operation of everyone for preventing the possible third wave of the deadly COVID-19 pandemic. Noting that the Mysuru Child Development Centre has launched many a people-friendly campaigns, he lauded the co-operation extended by Child Fund International and HOPE for the revival of Child-friendly Wards at Cheluvamba Hospital. Wishing the campaign all success, the DHO maintained that the Health Department was fully prepared for meeting any eventualities of possible third COVID-19 wave.

District Surveillance Officer Dr. Shivaprasad, Chief Planning Officer Mallikarjunaswamy, the Centre's Francis Danti and others were present.

Gang rape incident at Chamundi Foothill

Accused emboldened by previous crimes

▶ Earlier victims did not lodge Police complaints due to fear, shame

▶ DG&IGP asks officers to fill all gaps in shootout and gang rape cases

Mysuru, Aug. 29 (MTY&BCT)- A day after the arrest of five accused including a minor in the sensational student gang rape case, the City Police have begun drilling them to elicit more information about the heinous act and past incidents of crime. They are being questioned at an undisclosed location by a team headed by Devaraja ACP Shashidhar.

Bhoopathi *Murugesan* *Aravind* *Joseph*

Preliminary statements from the accused reveal that they were habitual offenders and used to regularly target pairs who come to secluded spots around the Chamundi foothills like Lalithadripura and Lalitha Mahal surroundings to spend time in the evenings. They were emboldened as the victims did not lodge Police complaints in the past.

Police sources said that during separate interrogation, the accused — Bhoopathi, Murugesan, Aravind, Joseph and a minor — told the interrogators that lack of security, patrolling and monitoring of the foothills, Ring Road and surrounding areas had made their job easy.

They used to finish their work at APMC Yard in Bandipalya and head towards liquor shops to booze and later proceed to the foothills to target lovers.

Threatening and molesting

The accused told the Police that in the past they had targeted four to five pairs at the foothills and had molested the women after threatening the male partner. They used to extort money from the pairs and even snatched their mobile phones like they did to the gang rape victim and her male friend.

After the loot, they used to head towards Tamil Nadu in goods vehicles and also vegetable vehicles returning to the neighbouring State.

As their targets never lodged Police complaints due to fear and social stigma, the accused became bolder and have ended up in gang raping their latest victim.

Tokyo Paralympics

India's Bhavinaben Patel takes home historic silver

Becomes only the second Indian woman to win a medal at the Paralympics after Deepa Malik

Bhavinaben Patel with Deepa Malik after victory ceremony at Tokyo this morning.

Tokyo, Aug. 29- Bhavinaben Patel today became only the second Indian woman to win a medal at the Paralympics after she signed off with a historic silver following a 0-3 loss to world number one Chinese paddler Ying Zhou in the Women's Singles Table Tennis Class 4 final in Tokyo. The 34-year-old Patel's impressive run at the Games ended with a fighting 7-11 5-11 6-11 loss to Zhou, a two-time gold medallist, in the Women's Singles summit clash which lasted 19 minutes. With this medal, Indian team opened its account at the Games.

Deepa Malik, who is the current President of Paralympic Committee of India (PCI), was the first Indian woman to win a medal in the Paralympic Games when she had claimed a silver in shot-put at Rio five years back.

Patel, a wheelchair player, had also suffered a loss to Zhou in her first group stage match earlier in the week.

Civil Aviation Minister writes to CM on Mysore Airport

Seeks speedy land acquisition of 240 acres to expand runway

Scindia *Bommai*

Mysuru, Aug. 29 (BCT)- Union Civil Aviation Minister Jyotiraditya Scindia has written to Karnataka CM Basavaraj Bommai seeking his personal intervention in expediting projects including Mysore Airport at Mandakalli in order to strengthen aviation infrastructure in the State.

Airports Authority of India (AAI) has embarked upon the development and expansion of many airports, said a statement issued by the Civil Aviation Ministry. The Union Minister has drawn Bommai's attention to the airport projects in Mysuru, Belagavi, Shivamogga and Vijayapura.

For Mysore Airport, AAI has projected a land requirement of 240 acres to expand the runway and construct other allied infrastructure. But the land is yet to be acquired and handed over to AAI by the State Government, Scindia's letter mentioned.

Scindia's letter comes at a time when there is a constant demand for runway expansion from industrialists, hotel owners and educational institutions to facilitate the landing of bigger planes. An expanded runway will give tremendous impetus to real estate, IT, BT industries, and hospitality and tourism sectors apart from creating thousands of jobs, say stakeholders.

Maharashtra Minister visits goat farm in Nanjangud

Invites Yashodavana Founder to conduct workshop

Maharashtra Minister Sunil Chhatrapal Kedar** (centre) **interacting with Yashodavana Goat Farm Founder Shreenivasa Acharya** (extreme right) **during the former's visit to the farm in Nanjangud on Thursday.

A goat farm with a difference

Yashodavana Goat Farm is spread across 50 acres of organically maintained agriculture land. Since 2012, Yashodavana is involved in intense research and with scientific approach, it has come up with superior quality and healthy breeds, milk, cheese and high quality manure. The increase in number of breeding animals from 500 to 2,000 has given vast experience in goat farming sector. Yashodavana has proved that with proper approach and management, goat farming is commercially viable and profitable business.

Nanjangud, Aug. 29 (RS&KS)- Maharashtra Minister for Animal Husbandry and Dairy Development Sunil Kedar visited Yashodavana Goat Farm at Yadahalli in the taluk on Thursday and collected information about goat farming and research going on at the Farm.

Providing information to the Minister, Shreenivasa Acharya of Yashodavana said that the goat farm was started 12 years ago in 50 acre land at Yadahalli in natural goat pens besides stating that goat breeds such as Beetal and Sirohi and also Bandur sheep were being reared at the farm.

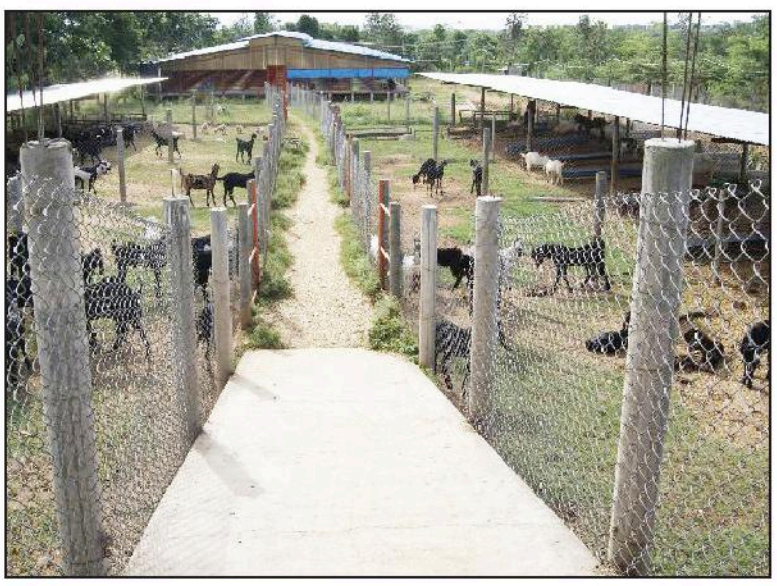
Continuing, Acharya said that Yashodavana has come up with the superior quality and healthy breeds, milk, cheese and high quality manure. Goat milk processed at Yashodavana has 28 types of medicinal properties and has a shelf life of six months, he added.

Shreenivasa Acharya tending to cattle at Yashodavana.

Pointing out that though 26 varieties of goat and sheep breeds were being reared at the centre earlier, Acharya said that the same was not getting good profit and hence three to four breeds, which could adjust to the weather conditions of the State, are being reared at the centre now.

He said that training in goat farming is being provided to interested farmers every Tuesdays and added that kids of special goat breeds are being sold to farmers besides stating that various types of plants to feed the goats are being grown at the centre using natural manure.

Minister Sunil, who spoke, said that Shreenivasa Acharya would be invited to Maharashtra to conduct workshop for farmers about goat and sheep farming, manufacturing of goat milk products and to provide information on various research activities which are going on at Yashodavana.



VOICE OF THE READER

Railway under-bridge in N'gud needs urgent attention

Sir,

It pains me to say that civic deformities abound the temple town Nanjangud. The Railway under-bridge opposite main Post Office on the busy MGS Road is an eyesore, hindering movement of motor vehicles, especially during monsoon, when water clogs to a height of almost 2 to 3 feet.

Besides, the various potholes right below the bridge, when surrounded by rain water all around, threatens one not to venture out on this stretch. Pedestrians naturally take to the Railway track above, to cross to the other side, risking their lives, as the Railway Station is very close by and trains when arrive extend till this cross-way. Moreover, this level-crossing is uneven, with no mud-spread between tracks. Women and aged find it difficult to move past the level-crossing.

Also, road-side vendors block both the entry and exit points by spreading their produce haphazardly. So a small pedestrian over-bridge is very much needed here. I appeal to the concerned, especially the elected representatives, to intervene and take measures in this regard.

—N. Devarajan
Nanjangud

Fancy dress contest

Mysuru, Aug. 29- As part of Krishna Janmashtami, the city's K.M. Praveen Kumar Charitable Trust has organised 'Cute Baby' and 'Lucky Baby' fancy dress contest for kids at Dasara Exhibition Grounds at 11.30 am tomorrow (Aug. 30).

The kids can take part in the contest wearing the costume of Lord Krishna, Rukmini, Satyabhma and Radha. There will be three prizes. The first prize carries a cash prize of Rs. 2,000, second prize Rs. 1,000 and third prize Rs. 500. Also, all the participants will be given a memento and a certificate.

The contest is open for children of less than 7 years of age.

For registration, call Mob: 98807-52727. Spot registration will also be done at the venue.

Mayor Sunanda Palanetra, City BJP President T.S. Srivatsa, actor Mandya Ramesh and others will be the chief guests on the occasion.

Anganwadi workers to take out Bengaluru Chalo on Sept. 2

Mysuru, Aug. 29- Seeking fulfilment of their long-standing demands, Anganwadi workers and helpers, under the banner of AITUC-affiliated Karnataka State Anganwadi Workers and Helpers Federation, will take out a Bengaluru Chalo protest on Sept. 2.

The demands include scrapping of cash payment in lieu of food-grains to beneficiaries of Anganwadi Kendras, a hike in honorarium based on seniority of service, consideration of Anganwadi workers and helpers as Government servants, bringing Anganwadi workers under the umbrella of Social Security Schemes, powers to DC-headed Committee for revision of egg prices from time to time, bringing Anganwadi Kendras under a single App under POSHAN Scheme, monetary benefits upon retirement and starting of LKG & UKG classes in all Anganwadi Kendras instead of Government Schools, among others. For details, contact Mob: 76761-58149 or 99803-55528.

Free COVID vaccination drive tomorrow

Mysuru, Aug. 29 (KS)- The Mysore Beedi Mazdoor Association and the Management of Central Hospital for Beedi Workers at Kalyangiri, have organised a free COVID vaccination drive for beedi workers and the general public aged above 18 years tomorrow (Aug. 30).

The vaccination drive will be held from 10 am to 5 pm at Farooqia Girls High School at Azeez Sait Nagar.

For details, contact Mysore Beedi Mazdoor Association Secretary K.C. Shoukath Pasha on Mob: 94483-50923, according to a press release.

'A stable Government at the Centre is needed for a vibrant democracy'

MP V. Sreenivasa Prasad (centre) releasing books in city recently as others look on.

Mysuru, Aug. 29 (PM&DM)- Regretting that no single party had come to power on its own in the past couple of decades, Chamarajanagar BJP MP V. Sreenivasa Prasad said, political instability at the Centre has ended with Modi-led BJP Government coming to power at the Centre with an absolute majority.

He was speaking after releasing Journalist Amshi Prasannakumar's work 'Samsath Darshana' and writer C.D. Parashuram's 'Kadu Janara Haadu Paadu,' at a programme jointly organised by Mysuru District Kannada Sahitya Parishat and Samvahana Prakashana at Rani Bahadur Auditorium on Hunsur Road, Manasagangothri here on Friday.

Asserting that a stable Government at the Centre is vital in a Democracy for carrying out developmental works, Prasad said that at the same time, a strong Opposition too is needed in order to correct the Government if it goes wrong on issues concerning the society.

Recalling that Congress led by Rajiv Gandhi had won a brute majority, winning 414 out of the 516 seats in the 1984 Lok Sabha (LS) polls that came soon after the assassination of the then Prime Minister Indira Gandhi, he regretted that Congress has now reached a situation where it cannot even afford to sit in the Opposition as the party had failed to win the required number of seats.

Arguing that worthy and lengthy debates can take place in Parliament only if there is a strong Opposition, Prasad said that it is important that people, who are the electors, recognise the works done by an MP.

MLC A.H. Vishwanath, in his address, said that Kannada literature must give space for politics too. Observing that 'Samsath Darshana' book explains all the post-Independence political developments regarding Parliamentary polls that took place in some of the districts of old Mysuru region, he said that the book has, however, fallen short on detailing some of the interesting and exciting facts concerning political leaders and parties.

He also contended that the defeat of former PM H.D. Deve Gowda from Tumakuru LS seat in 2019 is a big issue as the former PM's family members made him to contest from Tumakuru instead of Hassan, which is a *Karmabhoomi* for the former PM.

MP Pratap Simha, who presided, said that developmental politics came to the fore after Atal Bihari Vajpayee came to power in 1998. Maintaining that Vajpayee made development as the fundamental political mantra, he said that more such informative and interesting books on politics should come.

Writer Prof. Neelagiri Talwar spoke about the two works.

Veteran writer Dr. C.P. Krishnakumar (CPK), former MUDA Chairman C. Basavegowda, Samvahana Prakashana's D.N. Lokappa, District Kannada Sahitya Parishat President Dr. Y.D. Rajanna, MDJA President S.T. Ravikumar and others were present.

Tourists crowd purple hills despite weekend curfew

Madikeri, Aug. 29 (Akshay & BCT)- The blooming of Neelakurinji (Strobilanthes kunthiana) or as the local villagers call it 'Kurinji Poo' or 'Aralupoo' at Mandalpatti, Pushpagiri and Kotebetta in Kodagu district is drawing tourists in droves and even during weekend curfew yesterday, the places saw a rush of tourists. The Forest Department and the Police had a tough time controlling the vehicles.

This year's blooming of the flower has come after 12 years and can be seen at Kotebetta, Pushpagiri (Kumara Parvatha) and Mandalapatti ranges and according to the Forest Department that has tweeted certain aerial photos, it is 'truly a breath-taking sight!'

Even as local residents under the banner of Kodagu Rakshana Vedike have been opposing chartered helicopter rides above these mountains as it would threaten the wildlife in the fragile Western Ghats, these chopper rides — by Bengaluru-based Heli-Taxi firm Thumby Aviation Private Limited — are becoming popular as it offers an aerial glimpse of the visual treat.

The helicopter rides, however, do not come cheap as it will cost Rs. 2,30,000 if the entire chopper is hired that will take off from the Yelahanka Air Base in Bengaluru. The firm also offers individual packages.

Resort, cottage occupancy

Apart from the chopper rides, tourism and resort industry in Kodagu are cashing-in on this flowering phenomenon by offering free trips to the locales as part of a stay package. While resorts in Kodagu have reported 75 percent occupancy, cottages are 50 percent full. Even homestays have reported good occupancy.

Forest Department officers said that it is for the first time such a scene is being witnessed by tourists where the entire Mandalapatti and Pushpagiri Ranges are covered with purplish-blue flowers.

Already Mandalapatti and Pushpagiri ranges are beautiful and this flowering has added more beauty to the hills. All these years too, the flowers were visible but in parts of the hill ranges. But this year, the entire ranges are purplish-blue, officers said. These bottle-shaped flowers grow at an altitude of 1,300 to 2,500 metres and the shrub is usually 30 to 60 cm high.

Sorties in restricted area

According to local villagers and Kodagu Rakshana Vedike, the aviation firm is flying in a restricted area and there are wildlife zones and reserve forests. Sorties at a low altitude would definitely affect wildlife, said an activist who has pointed out the mess the tourists have created at Kotebetta where Bottlappa (the father of hills) Temple dedicated to Lord Shiva has been desecrated. Liquor bottles, plastic bottles, covers and other soft drink pack wastes have been found in the Temple premises.

Thanks to the viral photos and videos of Neelakurinji blooming, tourists are coming to Mandalapatti, Pushpagiri (Kumara Parvatha) and Kotebetta and weekend curfew has not deterred them. It has become a Herculean task for the Kodagu Police and Forest Department officials to prevent the tourist flow at least during the restriction period.

Measures ineffective

Planning ahead of the weekend curfew (Saturday and Sunday), tourists have arrived on Friday itself and are staying at resorts and homestays. Though many tourists were turned away after the barricades were set up, this was an ineffective move as the tourists outnumbered the Forest and Police personnel.

Interestingly, while people of Kodagu are obeying weekend curfew rules by staying indoors and not venturing out after 2 pm when the curfew comes into force, there are no such restrictions for tourists who are roaming freely as there are no curbs on vehicle movements.

They are entering the district before even the curfew is implemented (Friday afternoon) and are leaving only after the curfew is relaxed (on Mondays). Local residents have taken objection to this step-motherly attitude by the District Administration towards them while the same authorities are laying a red carpet to the tourists, contributing to the increase in COVID cases.

An aerial view of the blooming of Neelakurinji (Strobilanthes kunthiana) at Mandalpatti in Kodagu District. Similar scenes are witnessed at Pushpagiri and Kotebetta. The photo has been posted by the Karnataka Forest Department.

Police, Forest Department officers face Herculean task of turning away visitors

Maj. Dhyanchand's birthday as National Sports Day

Mayor Sunanda Palanetra and Intelligence Department SP M. Muthuraj (extreme left) are seen after offering floral tributes to the portrait of Hockey legend Maj. Dhyanchand on the occasion of National Sports Day celebration at Chamundi Vihar Stadium here this morning as Department of Youth Empowerment and Sports Assistant Director K. Suresh, International athlete M.R. Dhanusha, Corporator Sathyaraju, State Government Employees Association District President G. Govindaraju and others look on.

Mysuru, Aug. 29 (KS)- Department of Youth Empowerment and Sports, Mysuru, along with District Administration and Zilla Panchayat had organised a programme to celebrate hockey legend Maj. Dhyanchand's birthday as National Sports Day. The programme was held after adhering to COVID guidelines at Chamundi Vihar Stadium this morning.

The programme was inaugurated by Mysuru Division Intelligence Department Superintendent of Police (SP) M. Muthuraj along with Mayor Sunanda Palanetra by showering flower petals on the portrait of the hockey legend.

Speaking on the occasion, Muthuraj said "We have been studying about hockey legend Maj. Dhyanchand from our school days. He was a magician on hockey grounds and it was difficult for his opponents to judge his next move."

Pointing out that an England newspaper had written about him, Muthuraj said that the newspaper had stated "Tomorrow not only a hockey match will take place but also a magic." This shows the ability and master class of Maj. Dhyanchand with hockey, he added.

Mayor Sunanda Palanetra, who presided, said that she was happy to be a part of the celebration after becoming the Mayor. Pointing out that women should be encouraged in various fields such as education and sports, she called upon women to enter politics to make a difference.

International athlete M.R. Dhanusha, Corporator Sathyaraju, State Government Employees Association District President G. Govindaraju, Department of Youth Empowerment and Sports Assistant Director K. Suresh and others were present.

Accused emboldened by previous crimes

(Continued from page 3)

Police sources said that in a couple of cases, even passers-by were targeted after waylaying their bikes. Cash, jewellery and mobile phones were robbed but here too, the victims did not lodge complaints.

The accused had made Mysuru their target of criminal activities and used to get away easily under the cover of darkness after committing the crime.

Police sources said that one of the accused Bhoopathi of Susaipuram near Thalavadi of Tamil Nadu had been arrested by the Nazarbad Police six months back in connection with a sandalwood tree theft.

While Bhoopathi is involved in more than 10 cases, Murugesan was involved in a murder in Erode district that occurred around two years ago. Meanwhile, a Police team has been stationed in Tamil Nadu to arrest one more accused in the gang rape case. The Police are tracking his movements in close coordination with the back-end technical team that is stationed in Mysuru.

DG&IGP camps in Mysuru

State Director General and Inspector General of Police Praveen Sood is camping in Mysuru and this morning, he addressed a meeting of Police officers at Hotel Radisson Blu Plaza where over 25 officers were present.

Lauding the teams for achieving a breakthrough in both the Vidyaranyapuram shootout and also the sensational gang rape case, Sood told the Police to fill all the gaps in the investigation. He briefed the Cops on how rapists must be interrogated and how more evidence has to be collected to make their case stronger.

"Detection is the first stage. We have done it. Securing conviction is the second stage, we will have to get it done. This case is challenging because the victim has not yet given her statement and we must not allow the accused to go scot-free," Sood told his officers.

As per the orders from Home Minister Araga Jnanendra, patrols have to be stepped up at Chamundi Hill and more security must be provided after 7 pm, every day. He told the officers that there has been a lapse in security and these kinds of incidents must not occur again. The State Top Cop told the teams to be extra vigilant towards crimes against women.

ADGP (Law and Order) C.H. Pratap Reddy, Southern Range IGP Praveen Madhukar Pawar, City Police Commissioner Dr. Chandragupta, Superintendent of Police R. Chetan and DCPs Pradeep Gunti & Geetha Prasanna were present.

PUBLIC NOTICE

Under instructions from our clients 1) Sri. Sharath Chandra, Son of Late.Siddaiah and 2) Smt. K.R. Anitha, Wife of Sri. Sharathchandra, both are at # 8/A, Belavadi, Yelawala Hobali, Mysuru Taluk, we hereby notify the general public as under:

PUBLIC NOTICE

The General Public are hereby informed that one Sri.H.Nagesh Son of Late Hanumanthaiah, Residing at D.Hosahalli Village, Hulidurga Hobli, Kunigal Taluk, Tumkur has entered into agreement for sale with my client Sri. B.S.Nagendra, Bangalore on 30-09-2015 agreeing to sell the schedule properties and has received substantial advance amount. In spite of service of legal notice. he has not come forward to execute the sale deed, hence, my client has instituted an original suit in O S No: 403 of 2018 on the file of the Hon'ble II Addl. Senior Civil Judge at Mysore for specific performance of contract and has secured an Order of Temporary Injunction restraining the Defendant i.e., Sri.H.Nagesh from alienating the properties described in the schedule. The interim order is conveyed to the office of the concerned Sub-Registrar. In spite of this it is learnt by my client that efforts are being made to convey the schedule properties in gross violation of the interim order. Hence, the General Public are cautioned not to enter into transaction of sale/mortgage/creation of charge with respect to schedule properties. In spite of this public notice, if any person enters into any such transaction, they would be in violation of the order passed by the Hon'ble Court which would result in cancellation of such transaction and punishment for violation of the Interim orders. Furthermore, any such transaction shall not be binding upon my client.

SCHEDULE

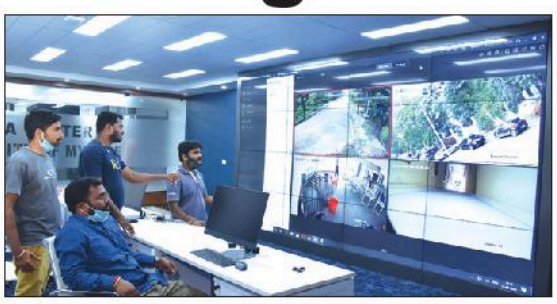
Entry ban for girl students after 6.30 pm to Manasagangothri

UoM rescinds order after Minister's nudge



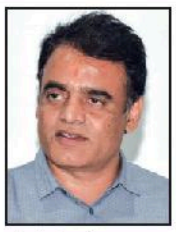
A file photo of CCTV cameras installed in UoM campus. Picture right shows the CCTV monitoring section.

Bengaluru, Aug. 29 (KMS&KS)- University of Mysore (UoM) Vice-Chancellor (VC) Prof. G. Hemantha Kumar has withdrawn the order prohibiting girl students from entering Manasagangothri campus after 6.30 pm.

Following the order, the University had come under severe criticism from various sections as the University campus is heavily guarded by security guards and also the campus has 760 Close Circuit TV (CCTV) cameras at every nook and corner to keep vigil on the 200-acre Manasagangothri campus.

They had questioned the purpose of having so many cameras. The University was forced to withdraw the order after Higher Education Minister Dr. C.N. Ashwathnarayan instructed the VC to do so.

The VC had issued the prohibitory order following the gang rape incident in city.



Dr. Ashwathnarayan *Prof. Hemantha Kumar*

Addressing media persons in Bengaluru yesterday, Dr. Ashwathnarayan said that UoM Vice-Chancellor Prof. Hemantha Kumar has been instructed to withdraw the order and added that it is not right to prohibit girl students from entering the sprawling campus besides instructing the VCs of all Universities to step up security at their respective Universities.

It may be recalled that the sprawling 200-acre campus of University of Mysore — Manasagangothri — has been fortified with over 760 Close Circuit TV (CCTV) cameras at every nook and corner and the University had spent over Rs. 5 crore for the project. All entry and exit points, academic and study centres, Departments and Libraries have been equipped with hi-definition cameras and a Mysuru-based firm Convergence Systems has been given the contract of installing the cameras and maintaining the same for three years.

All the 760 cameras have a feature of recording and the footages can be stored up to six months. They can rotate at 90-degree angle and can capture visuals from a distance of 500 metres. The installation of CCTV cameras across the campus was taken up to ensure safety and security of students and staff and also help the authorities monitor the activities on campus. A centralised Surveillance Centre (Control Room) has been set up at the Computer Science Department.

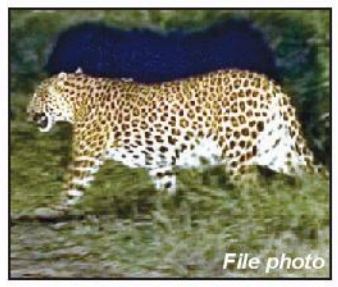
Two leopards spotted at Sai Layout

Fear grips residents

Mysuru, Aug. 29 (SPN&KS)- Residents of Sai Layout near Preethi Layout on the outskirts of city are living in a sense of fear after two leopards were found prowling in the layout vicinity three days ago.

Sowmya and Suma, residents of the area, told *Star of Mysore* that on last Thursday, when they were returning to their homes at Preethi Layout on their two-wheelers at about 9.30 pm, they spotted the leopards.

Shocked on spotting the leopards, they said that they informed the same to the concerned Forest Department officials but no one responded. They also said that they even called the Police Control Room on Ph: 0821-2418339



File photo

and informed about seeing the leopards and added that no one came to inspect the place till now.

Pointing out that the leopards were spotted twice in three days, Suma said that the residents were now living in a sense of fear and urged the officials concerned from the Forest Department to take steps to trap the leopards at the earliest.

Auto driver murdered over petty reasons

Bettadapura, Aug. 29 (Shivdev &KS)- An auto driver was allegedly murdered by another auto driver over petty reasons near Bettadapura on Thursday. Another person has been brutally assaulted for questioning the auto driver.

While the deceased has been identified as Jagadish alias Yadiyur (42) of Bettadapura, the person, who was brutally assaulted, has been identified as Sunil Kumar, friend of deceased Jagadish.

Details: On Thursday afternoon, a passenger, who came to Bettadapura auto stand, asked Jagadish if he would come to Halaganahalli on rent. But another auto driver identified as Prasanna of P. Basavanahalli told Jagadish that he would go to Halaganahalli. But the passenger told Jagadish that it would be late as Prasanna had to go to another place and then come to Halaganahalli and hence asked Jagadish to come.

Prasanna *Jagadish*

Jagadish then took the passenger to his destination and while returning to Bettadapura, Prasanna, who came near Mallapura village between Ramanathapura and Bettadapura, picked up a fight with Jagadish. He later took Jagadish to the nearby forest area where he allegedly bludgeoned Jagadish to death with a large stone. Jagadish's friend Sunil Kumar, who came to know about the incident, questioned Prasanna and the latter, who took Sunil near a Mutt, assaulted him (Sunil) brutally.

While Konanur Police have registered a murder case against Prasanna, Bettadapura Police have registered a case of assault on the accused for assaulting Sunil besides arresting Prasanna.

Chief Minister to preside over Dasara

High Power Committee meeting on Sept. 3

Bengaluru, Aug. 29- In a bid to clear the air over the nature of Dasara celebrations this year in the wake of COVID-19 pandemic, a meeting of Dasara High Power Committee has been scheduled to take place at the Banquet Hall of Vidhana Soudha, Bengaluru, at 4 pm on Sept. 3.

Chief Minister Basavaraj Bommai will chair the meeting, which will be attended by Mysuru District Minister S.T. Somashekar, Kannada and Culture Minister Sunil Kumar, Mysuru DC Dr. Bagadi Gautham and other top officials of Mysuru.

Last year, the Dasara celebrations was limited to Mysore Palace premises following the outbreak of pandemic. The Sept. 3 meeting assumes significance as the meeting is likely to finalise the nature of Dasara celebrations, popularly known as the State's *Naada Habba,* in the wake of COVID crisis, which has continued to cause havoc.

The Forest Department officials, who have prepared a list of 14 elephants for Dasara which is to take place in October, are likely to apprise the CM on their opinion regarding the conduct of Dasara.

Likewise, the DC, Department officials and officials from all other stakeholder Departments, too will come out with their opinion during the meeting.

After gathering inputs at the meeting, Chief Minister Bommai will weigh the opinions received from political leaders, officials, personalities and all other stakeholders, before deciding on the nature of celebrations, it is learnt.

MP writes to DC over protocol violation in the inauguration of Hootagalli CMC Office

Mysuru, Aug. 29 (SBD&DM)- A day after Chamundeshwari MLA G.T. Devegowda inaugurated the office of Hootagalli CMC (City Municipal Council) at High Tension Double Road in Hootagalli along Hunsur Road, MP Pratap Simha has sought disciplinary action against Hootagalli CMC Commissioner for reported violation of protocol by not inviting District Minister S.T. Somashekar and him (Simha) as the MP, for the inauguration.

In a letter to Deputy Commissioner Dr. Bagadi Gautham on Saturday, Pratap Simha pointed out that District Minister S.T. Somashekar had played a key role in the formation of Hootagalli CMC, which came into being following a Gazette notification issued in November last year.

Noting that Hootagalli CMC was formed by the merger of Hinkal, Koorgalli and Belavadi Gram Panchayats as part of the efforts to create a Bruhat Mysuru Mahanagara Palike, Simha maintained that when the office of Hootagalli CMC was inaugurated on Aug. 27, the CMC Commissioner Narasimhamurthy failed to keep Somashekar informed though the Minister was in the city on that day. The Commissioner had also failed to keep him informed as Mysuru-Kodagu MP, Simha claimed in his letter.

Alleging that the Hootagalli CMC Commissioner had violated the protocol, Simha appealed the Deputy Commissioner to initiate disciplinary action against the official.

Obituary

Mohan Kumar

Mysuru, Aug. 29- Mohan Kumar (52), an Attender at The Mysore Co-Operative Bank Limited, Gandhi Square here, passed away yesterday at a private hospital in city following brief illness.

He leaves behind his mother, wife, two sons and a host of relatives and friends.

Last rites were held at Kuppegala village this noon.

Lakshmamma

Hunsur: Lakshmamma (65), mother of teacher and littérateur T. Lokesh, passed away yesterday afternoon at the town.

She leaves behind her husband Timmashetty, son Lokesh, two daughters and a host of relatives and friends. Last rites were performed at Kalkunike Burial Grounds this morning, according to family sources.

Community Radio Stations are effective means of communication, says Union Minister

Union Minister of State for Information and Broadcasting L. Murugan (extreme left) seen with Suttur Seer Sri Shivarathri Deshikendra Swamiji, Mayor Sunanda Palanetra, MLAs S.A. Ramdas and Tanveer Sait, University of Mysore VC Prof. G. Hemantha Kumar after inaugurating the JSS Radio 91.2 FM Centre this morning. Picture right shows Minister Murugan launching the 91.2 FM Station as others look on.

Mysuru, Aug.29(RKB&DM)- Maintaining that Community Radio Stations are an effective means of communication especially in rural areas even amidst rapid advancements in other means of communication, Union Minister of State for Information and Broadcasting, Fisheries and Animal Husbandry L. Murugan said that Radio FM Stations in Karnataka were doing a good job in reaching out to the masses.

He was speaking after inaugurating the 106th birth anniversary celebration of Jagadguru Sri Shivarathri Rajendra Mahaswamiji and launching of JSS Radio 91.2 MHz- A Community Radio Station, at JSS College of Arts, Commerce and Science on Ooty Road in city this morning.

Recalling the efforts of Dr. Shivarathri Rajendra Mahaswamiji in the development of JSS Mahavidyapeetha and institutions, Murugan said that JSS Mahavidyapeetha has now over 300 reputed educational Institutions across the country and abroad. Lauding the Mutt for providing education, food and shelter to thousands of students from across the country every year, he said that the Mutt has expanded its horizons beyond the country's borders through its determined and committed approach to the service of the entire society.

Stating that Karnataka has 22 community Radio Stations and FM Stations, the Union Minister said that the JSS Radio 91.2 FM Station is established in Mysuru with the aim of creating awareness in the society about various issues relating to community needs.

Noting that the main objective of the JSS Community Radio is to become a voice for the voiceless and provide information on the rich heritage, tradition and culture of this region, he said that it also aims at identifying problems pertaining to the immediate neighbourhood and to provide suitable solutions by broadcasting programmes on education, health, empowerment of vulnerable sections at the grass-root level.

K.R. MLA S.A. Ramdas, who presided, said that Mysuru has the distinction of having the first Radio Station in the Country with Prof. Gopalaswamy setting up one in 1935. Underlining the purpose of a Community Radio Station, Ramdas said that it provides an opportunity for the people representing all sections of the society including students, youngsters, senior citizens, labourers, daily wagers, agriculturists and the like. The JSS Community Radio 91.2 FM Station has the capacity or reaching a radius of 9 kms covering lakhs of people, he added.

University of Mysore Vice-Chancellor Prof. G. Hemantha Kumar and N.R. MLA Tanveer Sait, who were the Chief Guests also spoke.

Mayor Sunanda Palanetra released the Radio Station Logo, while Director-General, Information and Broadcasting Department, South Zone Region S. Venkateshwar released the Radio App on the occasion.

Suttur Seer Sri Shivarathri Deshikendra Swamiji graced the occasion.

MLA L. Nagendra, Karnataka Safai Karmachari Commission Chairman Kote M. Shivanna, JSS Mahavidyapeetha Executive Secretary Dr. C.G. Betsurmath, Prof. B.V. Sambashivaiah of JSS College of Arts, Commerce and Science and others were present.

Civil Aviation Minister writes to CM

(Continued from page 3)

The Mysore Airport is fully operational now with many to and fro flights to a couple of popular destinations and even the routes have seen traction with more than 70 percent occupancy.

Task before KIADB

At present, the Airport has a single runway of 1,740 metres in length which is only suitable for ATR planes providing short-haul flight operations. The existing airport is spread over 507 acres and under the expansion project, the length of the runway will be increased to 2,750 metres and 45 metres width that allows jet aircraft such as Boeing 737 and Airbus A320 to land.

The Karnataka Industrial Area Development Board (KIADB) has to initiate the land acquisition process and this has been pending since a long time. The runway expansion project was mooted 10 years ago and of the 240 acres of land required for the project, the KIADB has given final notification for acquisition of 160 acres.

Project stuck with State

The land acquisition process must also facilitate the building of a 500 to 600-metre long tunnel or underpass to facilitate the extension of the runway and there are plans to make the National Highway 766 pass through an underpass near the Airport to facilitate the runway expansion. While the road will be below, the runway will be on top of it.

The underpass will be constructed by the National Highways Authority of India (NHAI) and the AAI has reserved Rs. 700 crore for this. The Bureau of Civil Aviation Security (BCAS) has already given the security clearance for the underpass.

As per the prevailing rates, each acre gets a compensation of Rs. 1.5 crore. The process has been stuck as the State Government is yet to release funds for the same. Though in January this year, the then Chief Minister B.S. Yediyurappa released Rs. 50 crore for runway expansion, the project has not had any notable headway.

Check-post established near Hirikati Gate

Begur, Aug. 29 (Nagesh&KS)- With the number of COVID positive cases increasing in neighbouring Kerala and Tamil Nadu States, a check-post has been established near Hirikati Gate on NH-766 and the officials are checking vehicles and screening passengers entering Karnataka.

Following instructions from Chamarajanagar Deputy Commissioner Dr. M.R. Ravi, the officials are checking vehicles entering the State and are checking the RT-PCR test reports of passengers.

Officials from the Revenue and Health Departments, Gram Panchayat PDO and Police personnel are conducting checking.

Hamaali issue: Truckers to stop work from Sept.1

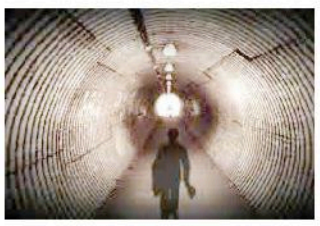
Mysuru, Aug. 29 (MTY&AK)- "Amidst hike in the prices of spare parts and fuel, paying Mamool to Hamaalis has become like rubbing salt on the wounds of truck owners. The transportation of goods in Mysuru will be stopped from Sept.1 and stage a protest against it," said District Truckers Association President Srinivas.

Addressing a press meet at Patrakartara Bhavan yesterday, he said, "Owners of lorries, trucks and drivers, transport goods on rental basis. During loading and unloading of goods, Hamaalis demand Mamool (money) and forcibly take thousands of rupees from buyers and truck drivers. Considering the fact that truck owners were already reeling under the burden of rising fuel prices, taxes, prices of spare parts, hike in insurance premium and such other factors, the truck owners have decided to stop paying loading and unloading hamaalis. The association has come to this decision of not transporting goods in city."

Srinivas further said that truck and lorry owners were facing severe financial crisis due to loss of business and exponentially rising operational costs and added that the practice of paying Mamool was not right. Hence it has been decided not to pay Mamool to the Hamaalis, besides stating that with great pain, truck owners have decided to stop transportation of goods from Sept. 1, which was inevitable. Association office-bearers Vishwanath and Sadashiva were present.

WORD OF THE DAY

Liminal



Pronunciation: LIM-uh-nul.
Meaning: To describe something that is barely perceptible or that involves a transitional or in-between state.
Origin: When liminal first appeared in written use, it referred to something (such as a physical stimulus) which was just barely perceptible, or just barely capable of eliciting a response. This meaning is still in use today in constructions like "liminal auditory stimuli." The word comes from the noun limen, which refers to the point at which a physiological or psychological effect begins to be produced. In its most common extended meaning now, it describes a state, place, or condition of transition, as in "the liminal zone between sleep and wakefulness." The closely related word subliminal means "below a threshold"; it can describe something inadequate to produce a sensation or something operating below a threshold of consciousness.
Example: "In the vast but liminal space of the ocean, cargo vessels—some of the largest machines on the planet—have generally operated in obscurity."

THE ODD WORD

Lamella

Thin plate or layer.

PHRASE OF THE DAY

Let the cat out of the bag

Meaning: To make a secret known.
Origin: The origin of the phrase is not certain; however, there are theories about how it originated:
One theory has to do with merchants who were looking to make some coin by selling piglets. When a customer bought a young pig from them, the merchant would put it into a bag and give it to them. However, the more dishonest merchants had other plans in mind. While out of the customer's view, these dishonest merchants would swap out the piglet with a cat. Why? Maybe pigs were more valuable, so by switching them, it saved money. Regardless, the customer, being none the wiser, would take the bag and go home. There, they would let the cat out of the bag and the merchant's trick would be discovered.
The second theory has to do with a multi-tailed whip that was called a "cat o' nine tails," the shortened form being "the cat." This whip was used for the physical punishment of sailors who broke certain rules (such as theft, I think). This whip, or "cat" was kept in a bag, perhaps to keep the leather from drying out. Anyway, if a time came for a sailor to receive punishment, "the cat" was taken out of the bag, hence the phrase.

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

Tokyo Paralympic Games (August 24 - September 5)

Afghan paralympians will compete in Tokyo: IPC

Tokyo, Aug. 29- Afghanistan's two Paralympic athletes have arrived in Tokyo and will compete at the Games, the International Paralympic Committee (IPC) said yesterday.

"The Afghan athletes Zakia Khudadadi and Hossain Rasouli were warmly welcomed to the Tokyo 2020 Paralympic Village," the IPC said in a statement.

With the swift fall of Afghanistan to the Taliban, the pair had been among the tens of thousands trapped and unable to leave the country. But they were evacuated last weekend and have been in Paris at a French Sports Ministry Training Centre, the IPC said.

"Over the last 12 days, Zakia and Hossain have continued to express their absolute desire to come and compete at the Tokyo 2020 Paralympic Games," said IPC Chief Andrew Parsons.

Earlier this week, the IPC had said that Khudadadi and Rasouli had safely left Afghanistan but would not be competing at the Games, as the focus was on their well-being.

At the opening ceremony on Tuesday, the Afghan flag had featured in a symbolic fashion, carried by a volunteer.

"We always knew there was a remote chance both athletes could participate at Tokyo 2020 which is why the Afghan flag was paraded at Tuesday's Opening Ceremony," Parsons said.

"Our number one priority has and always will be the health and well-being of both athletes," he added.

Khudadadi will compete in the women's taekwondo K44 -49kg category, which is scheduled for September 2; Rasouli will run in the men's 400m T47 athletics event on September 3, the IPC said.

Centre introduces 'BH-series' mark for vehicles

New Delhi, Aug. 29- The Centre has introduced a new registration mark for new vehicles of Bharat series (BH-series) to facilitate seamless transfer of vehicles across States.

According to a notification issued by the Ministry of Road Transport and Highways, a vehicle bearing BH-series tag will not require assignment of a new registration mark when the owner of the vehicle shifts from one State to another.

This vehicle registration facility will be available on a voluntary basis to defence personnel, employees of Central and State Governments, Public Sector Undertakings (PSUs). It will also be available for private sector companies which have their offices in four or more States and Union Territories.

The motor vehicle tax will be levied for two years or in multiple of two, the Ministry said. This scheme will facilitate free movement of personal vehicles across States and UTs upon relocation.

After completion of the 14th year, the motor vehicle tax will be levied annually which will be half of the amount which was charged earlier for the vehicle, the Ministry said.

1st YEAR REMEMBERENCE

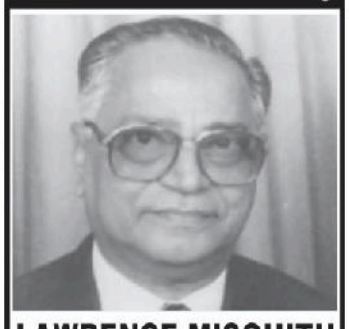
NAVEEN RAVANIKAR

It's been one trip around the sun without you being around.
We hold your memory as a glimmer in our hearts.

Deeply missed by :

Brothers Chetan & Nithin, Son Chathur, Nepews Risheel, Atharv Reyansh and the entire Ravanikar family and friends

24th Death Anniversary



LAWRENCE MISQUITH

(Rtd. R.T.O)

You never said "I am leaving"
You never said good bye
You were gone before we knew it,
And only God knows why ?
The gates of memory never close
How much we miss you no one knows.

Missed and forever cherished by his beloved Wife, Sons, Daughters-in-law, Grandchildren Cedan, Lavina and Susan.
